

REASONS

WHY BUYING NEW VERSUS USED FURNITURE IS A SMART CHOICE

Looking for office systems furniture? When faced with a choice between new and used, weigh the pros and cons first. Discover for yourself how new furniture from Rosemount Office Systems offers distinct value advantages – the superior quality you need, at prices you can afford.

	Rosemount Office Systems	Used/Refurbished Furniture
1 No surprises	Know exactly what you're getting – a new, beautiful office system of superior quality.	You'll never know the real condition and age of the furniture, or who manufactured all the components.
2 Versatile, flexible designs	Meet the needs of your employees and your business with customized workstations.	Why settle for less efficient design because it's in inventory today?
3 Unlimited fabric and color choices	Our wide variety of fabrics and finishes suit your taste, space, and budget.	Expect a limited selection, based on what's currently on hand.
4 Free space planning assistance	We'll help design your space for maximum efficiency and productivity.	Seldom offered, and then you can work only with what's in stock.
5 Room to grow	Our office systems will grow with you. Add panels and workstations that meet your future needs and budget.	Only if more products came in last week.
6 Straight to your bottom line	Get exceptional quality and performance at the lowest cost in the industry for new product.	The cost savings don't justify the risks and limitations.
7 Safety features	All our products are UL-certified and fire-tested to ensure a safe workplace.	Original approvals may have been voided.
8 Protect your investment	Your purchases are backed by our lifetime warranty.	Don't expect a service partnership with the dealer – or any idea of how the product was treated.
9 Easier, quicker installation	All parts are engineered to work together, making installation easy.	Be prepared for installation challenges and delays due to missing components.
10 Long-term advantages	A negotiable long-term buying agreement guarantees a competitive price on future purchases.	None.

ROSEMOUNT OFFICE SYSTEMS – DISTINCTIVE DESIGNS AT AFFORDABLE PRICES

For more than 40 years, quality and value have shared a corner office at Rosemount Office Systems. We deliver the level of aesthetics and performance that lives up to your demanding expectations and fits your budget.

WE'RE UNIQUELY DIFFERENT

Our engineering focus leads to unique differences that save you time and money, such as clever connectors that mean fewer parts to buy and configure. The end result: Rosemount Office Systems products are the easiest to install and deliver long-term savings.

WE'RE ALWAYS RAISING THE BAR

We pride ourselves on continuous improvement and exceeding the requirements of basic office systems furniture. And to prove it, we protect your investment with a lifetime warranty on all our products.

WHEN WE SAY WE BUILD FURNITURE, WE MEAN IT

At Rosemount Office Systems, we don't manufacture furniture – we build it to the most exacting specifications. Inventive technologies make our products both lightweight and strong.

WE KNOW A GREAT IDEA WHEN WE SEE ONE

Like eliminating panel creep, for one. Our innovative panel and connector design features accommodate more people in one space, saving you valuable real estate without compromising elbowroom.

YOUR EMPLOYEES' HEALTH IS OUR BUSINESS

Our ergonomic office systems are sensitive to your employees' well-being and productivity, taking into account their individual needs. Bi-level worktops allow neutral neck positions and accommodate the mobility impaired.

OUR PRODUCTS RESPECT THE ENVIRONMENT

A healthy workplace shouldn't come at the expense of conserving resources and protecting our natural environment. Environmental responsibility is at the heart of our design, materials, manufacturing and technology choices.

UNIQUE SOLUTIONS ARE OUR SPECIALTY

We'll sit down and work out solutions that promote efficiency and keep your employees healthy and happy. You'll discover that custom products are quicker and less expensive than you had imagined.

LOCATED IN THE MIDWEST, WE SERVE THE NATION

Our headquarters and manufacturing facility are located in Lakeville, Minnesota, a suburb of Minneapolis, where access to every method of shipping is right nearby. You get it when you need it.
